CHAPTER 17

GENERAL SERVICES

17.1 General public services are essential regardless of whether they are profitable or not. Public authorities are required to ensure continuity of their supply with some degree of externality of these services. It includes public services whether of an economic nature or not. Therefore, general public services of different types are funded under the State Plan. Public works such as construction of staff quarters and office buildings, provision for fire services, maintenance, stationery and printing, cyclone reconstruction and disaster management programmes, public enterprises reform programme and improvement of jails and court buildings are undertaken under the rubric of “General Services” under the State Plan.

PLAN SCHEMES

17.2 To facilitate implementation of Plan schemes under the “General Services” sector, an outlay of Rs.2,65,29.89 lakh has been proposed in the Annual Plan: 2012-13. The development programmes under this sector shall be implemented by Commerce & Transport Department, General Administration Department, Home Department, Law Department and Revenue & Disaster Management Department.

STATE PLAN

Stationery and Printing 
(Rs.300.00 lakh) (Commerce and Transport Department)

17.3 The Odisha Government Press, having four different units, is located at Cuttack. Seven of its branch presses function at Bhubaneswar, Khandapada, Chhatrapur, Bolangir, Bhawanipatna, Keonjhar and Deogarh. The main objectives of the Government Press are: (a) to meet the printing needs of Government of Odisha, (b) supply of all standard forms to Government offices, (c) distribution of stationery articles, repair and maintenance of office machineries like type writer and duplicating machines, and (d) storage, publications and sales of all Government publications. The existing printing and allied machineries of the Government Press have become very old and obsolete leading to frequent breakdown. This has necessitated replacement of old machines and modernization of the Government Press. It has been proposed for modernization of Government Press with, Rs. 300.00 lakh for procurement of new machineries in the Annual Plan: 2012-13.
